Friends, you and me...
You brought another friend...
And then there were 3...
We started our group...
Our circle of friends...
There is no beginning or end....

We would like to say Congratulations to Monique Dawson and Takyia Williams

Principal's Message

Dear Class of 2003 Congratulations!

Dear Class of 2003:

Fireworks have long been associated with celebrations. They add an exciting touch to any big event, lighting up the sky with both power and beauty. The fireworks begin when you receive your diploma. Each diploma is a lit match. Each one of you is a fuse.

We celebrate you as you move out into the world, each of you carrying a unique set of skills and talents...each with his or her unique brand of genius. This unique brand of genius will manifest in as many ways as there are students graduating. Some will show genius in sales, some in business, the culinary arts, construction, law, art, education, medicine, law enforcement or public service.

Some will show genius in their ability to love and serve others. But whatever it is they choose to do in the years ahead, one thing is certain: each one is capable of lighting up his or her corner of the world like frameworks in a night sky.

Congratulations, Seniors!

Make it a great life. The choice is yours

Eli S. Noble, Jr., Ed.D

Principal

Vice Principal's Message

Time Flies! Very soon you will be graduating from High School. This will be just the beginning! Right now you have your teachers, guidance counselors, principals and other school staff to seek advice from as to how to advance yourself for a better future. Take advantage of such opportunities. Always get your parents involved in your life activities.

Wish you the very best.

Emanuel Addo

Vice Principal
